2022 STEM Scholarship Application

Application for a scholarship for an Alaskan student pursuing a degree in a science, technology, engineering or mathematics (STEM) curriculum at a college or vocational school. One \$2,500 scholarship is available. Applications are due March 4, 2022.

Name _____

Address _____ City _____ Zip _____

Phone _____

Email _____

What school are you currently attending? _____

In what major or program are you enrolled? _____

What year of study are you in the process of completing? _____

What are your educational goals? _____

What are your career goals? _____

What steps have you already taken and what steps do you plan to take in the future to reach your educational and career goals? Have you been able to gain any relative experience?

Please attach a copy of your most recent school transcript.

Selection will be based on several factors including past educational performance, reality of future plans, financial need and demonstrated community service participation.

One \$2,500 scholarship will be awarded to an Alaskan student pursuing a degree in a science, technology, engineering or mathematics (STEM) curriculum at a college or vocational school.

Applications should be submitted no later than March 4, 2022 by either online form (PREFERRED), email (please save as a PDF with your full name in the file name), or regular mail to the following address:

Rachel Lord, Executive Secretary
Alaska Association of Harbormasters and Port Administrators
602 Shellfish Ave.
Homer, AK 99603
